Ms. Bunny Printemps

Our newly anointed “Queen Of Springtime”, sister of Mr. D. Ed Ham, is seasonally attired in a flowing white dress and jacket bordered with the classic Dedham bunny pattern, and a generously sized bonnet. Standing 10” tall, she can’t be missed and her potent smile will instigate happiness in your kitchen, in your garden or wherever she finds a comfortable resting spot

Chotsie Starr, “The Shed’s” founder, was a gardener through and through! With each passing day of spring, her stamina, like a sprouting crocus, grew and grew. She relished the feel of warming soil and spent hours planting and nourishing her plants. The fragrance of flower blossoms

was her reward and energized her more than almost any other aspect of life. And so, she had them everywhere!

The drive between her house in Concord, MA and her cabin in Orford, NH, however, was, for her, way too long to be without “nature’s perfume”!

Not one short on

creativity, she came into the pottery and adapted one of our small vases so that it would adhere to metal (with magnets) and to her car’s dashboard (Velcro).

We are proud to be releasing Chotsie’s 4” high “portable vase” for all of you who, like

her, cannot resist the appeal of nature in full flower!
